

The NuLife Sciences Income Disclosure

The NuLife Sciences Compensation Plan is an exciting opportunity that rewards you for selling products and services and for sponsoring other participants who do the same. Although the opportunity is unlimited, individual results will vary depending on commitment levels and sales skills of each participant. Because NuLife Sciences Inc, is in the process of compiling enough statistical data to prepare reliable income disclosures, the following numbers below reflect **estimates** prepared by the company pending a more detailed survey to soon be conducted. Based on industry standards and company projections, the average annual gross income for participants (“Independent Brand Partners”) is projected to be anywhere between **\$2,000 and \$10,000**. There will certainly be Independent Brand Partners who will earn less while others will earn much more. We are excited about the NuLife Sciences Compensation Plan and we’re confident it will provide you a solid foundation to help you achieve your financial goals.

If income projections were presented to you prior to your enrollment, such projections are not necessarily representative of the income, if any, that you can or will earn through your participation in the Compensation Plan. These income projections should not be considered as guarantees or projections of your actual earnings or profits. Success with NuLife Sciences results only from hard work, dedication, and leadership.
